

RAISE AWARENESS AND GET ATTACKS REPORTED

Tell Mama For many years now the Muslim communities in the UK have suffered anti-Muslim attacks and expressed a need for a nationally coordinated means of reporting such incidents. The [MAMA Project](#) will provide a means for such incidents to be reported, recorded and analysed, working to ensure this data is accurate and reliable and the victims and witnesses affected receive support.

Tell Mama has a report attack page and other useful info on EDL members convicted etc
