'Mega mosque' recommended for refusal

A planning application for a massive 'mega mosque' in West Ham has been recommended for refusal.

Newham planning officers will ask local councillors to refuse the application in a meeting to be held on Wednesday 5th December 2012 reports the London Evening Standard.

Christian Voice members have been meeting for prayer at the site of the proposed development on the first Saturday morning of every month since January 2007. All are invited to their meeting this morning at 10.30am.
