Can I draw your attention to a very good source for the latest new daily interesting studies/articles/reports which I do get every day from the western and medical and social media and I do send it after to Hizbul Ulama in London/UK who do publish it .

You will see it all on the Home page of the website of Hizbul Ulama which is: www.hizbululama.org.uk

I am grateful to Hizbul Ulama for honouring me in putting many of what I send them on their website and helping us in Da'wa and education to the Muslims everywhere.

Also if you look on the right of the Home page, you will see **Categories, in** the middle: UPDATES FROM DR ABDUL MAJID KATME
