

# **ISLAM AND BRITISH MUSLIMS STRONGLY OPPOSE SAME SEX MARRIAGE**

GOD Almighty, the Creator and the best Designer for all of creation, created a man (Prophet Adam), and a woman (Eve), to establish the foundation for future marriage and marital relationships. Two people of the opposite sex and of different genders. Adam and Eve, not Adam and Steve!

All schools of thoughts in Islam, Muslims in Britain (Approx. 3 million), Muslims in Europe (Approx. 30 million), in fact all Muslims in the world (1,600 million) with Shari'a and Jurisprudence (laws) only recognise the marriage of two people of the opposite sex. Everything else is FORBIDDEN!

The holy contract of marriage between two people of the opposite sex is explained, reinforced and ordered in all Holy books (Torah, Gospel/Bible and the Qur'an) and by the Prophets of GOD: Abraham, Moses, Jesus and Muhammad (peace be upon them). In fact the word MARRIAGE has been and is "booked" by GOD to use only for two loving committed married people of the opposite sex.

Marriage cannot be used for two people of the same sex; this merges into Blasphemy! Same sex sexual relationship is unnatural, sinful unproductive (no children) and is : anti GOD, anti-Judaism, anti-Christianity and anti-Islam.

Homosexuals and lesbians should invent their own new word/vocabulary/definition of their relationship if there is any;

To be fair, they should not steal and use this divine word 'Marriage', as GOD Almighty Himself has fixed it before in all Holy Scriptures to be used only for the marriage of two people of the opposite sex; it is His definition not ours and no has the right or authority to undermine or change this sacred definition of marriage.

This natural heterosexual marital sexual relationship between two loving and committed people has been found, to our surprise, to be fitting well and beautifully with all of the medical sciences of today in the reproductive organs in the fields of:

- Anatomy
- Physiology
- Psychology
- Pathology
- Bacteriology and Hygiene
- And Sexual Health

Sex in the heterosexual marriage is the best for recreation and procreation; it's safe, healthy, productive, and produces normal stable healthy children and is BLESSED BY GOD!

We want to make it clear from the beginning that: OUR RELIGIOUS BUILDINGS, OUR MOSQUES, SHOULD BE FULLY PROTECTED BY MANY LAWS (British/EU) FROM BEING FORCED TO CONDUCT ANY "MARRIAGE"/NIKAH FOR TWO PEOPLE OF THE SAME SEX. OUR RELIGIOUS AND HUMAN RIGHTS ARE A MUST AND SHOULD BE ABOVE ANY DEMAND BY A MINORITY ON MOST OF US AND ABOVE SUCH TYPE OF UNNATURAL SINFUL LEGISLATION WHICH IS OPPOSED BY ALL RELIGIONS OF GOD!

Legalising same sex marriage will lead to many problems for those who hold to the commandments of God; especially for those teaching in schools and being forced to teach the students that marriage between two people of the same sex is normal. Or those working in fields such as Social Work.

We would like to APPEAL first, to all the British Muslims (men and women) to QUICKLY contact their Members of Parliament (MPs) to ask them to be present at the debate in Parliament on gay marriage on Tuesday the 5th February 2013 in order to express our feelings/demands, TO OPPOSE STRONGLY THIS NEW BILL ON GAY MARRIAGE.

We would also like to APPEAL to all the Christian believers in Britain (and other faiths) TO BE TRUE CHRISTIANS AND TO OPPOSE STRONGLY GAY MARRIAGE BY ALL LEGAL AND DEMOCRATIC MEANS:

FOR THE SAKE OF ALL OUR RELIGIOUS VALUES AND BELIEFS

FOR THE SAKE OF OUR MARRIAGES AND FAMILIES

FOR THE SAKE OF OUR INNOCENT VULNERABLE CHILDREN

FOR THE SAKE OF OUR SOCIETY

AND MOST IMPORTANTLY, TO PLEASE GOD ALMIGHTY!
