Prophet Muhammad honoured by US Supreme Court in 1935

“Fact: The US Supreme court honoured Prophet Muhammad (Peace and Blessings Be Upon Him) as one of the greatest impact on law in the world in 1935.

Equality before the law; Innocent until proven guilty; The right to counsel ... this is why in 1935, the United States Supreme Court honoured Prophet Muhammad (peace be upon him) as one of the 18 greatest lawgivers in human history in 1935.

Islam is also recognized in one of our greatest buildings (the Library of Congress) as being one of the 11 or 12 most influential and important contributors to civilization.”
