

TO MUSLIM LEADERS, IMAMS AND MUSLIM ORGANISATIONS

In Britain, there are frequently many Public CONSULTATIONS from the different government's Departments and bodies which are put to all the public, including the British Muslims, in order to give their views on many different issues before it becomes laws:

(Moral, religious, family, health, social, animal, environment, alcohol, smoking, drugs, sex education, crimes, old people....)

All these issues should concern us all as British Muslims.

After all, ALLAH said in the Holy Qur'an:

"WE HAVE SENT DOWN TO YOU: THE BOOK, **EXPLAINING** EVERYTHING..."
(Chapter/Surah 16, verse 89)

UNFORTUNATELY, the views and the voices of nearly 3 million British Muslims are ABSENT AND NOT HEARD, in almost all the public Consultations? Although we are British citizens but still "not living" in Britain?

Most British Muslims are not aware of all these Consultations or they are lazy and not interested in answering any Consultation if they heard about it?

While our good British Christians try to respond to every Consultation..., in the same time, the secular immoral people do ANSWER MANY consultations in order to push their own wrong evil and Haram agenda in the laws of the land?

THE ISLAMIC VIEW ON EVERY ISSUE OF LIFE IN BRITAIN SHOULD BE **HEARD** IN ORDER TO PROTECT ISLAM/ISLAMIC VALUES, BRITISH MUSLIMS AND OUR ALL SOCIETY...and in order to introduce OUR UNKNOWN GREAT USEFUL ISLAMIC VALUES !.

IT IS A BETRAYAL TO ISLAM AND IS **SATANIC** TO STAY **SILENT** ON HUNDRED OF HARAM IMMORAL ANTI-LIFE AND HARMFUL ISSUES TO OUR HEALTH WHICH WILL AFFECT US ALL!ESPECIALLY WHEN THEY BECOME LAWS ON ALL OF US!

In all Consultations, we should support: KHAIR/GOOD/BIRR/MA'AROUF...and oppose: HARAM/EVIL/IMMORAL... BRITISH MUSLIMS SHOULD **LEARN AND ADOPT** THIS GOOD ENGLISH WAY IN RESPONDING TO PUBLIC CONSULTATIONS.

OUR HAQQ AND TRUTH are kept mostly **inside** the mosques...? While evil is spreading more and more...!
The Muslim Council of Britain (MCB) should take the **lead role** in RESPONDING TO A LOT OF PUBLIC CONSULTATIONS, and not only on Halal meat, and to try to educate and train all Affiliates first on the importance the art and the skill of answering Consultations.

MINAB (Council of mosques and Imams) should do the same.

ISLAM (GOD'S VALUES) IS FOR LIFE, FOR ALL OUR LIFE AND IS THE BEST ANSWER AND REMEDY TO ALL ISSUES OF LIFE!

IT IS AN **ISLAMIC AND A BRITISH DUTY** TO ANSWER THESE MANY PUBLIC CONSULTATIONS!

Allow me now to give you just few of these recent important Public Consultations:

1- In Wales/Britain we have now an urgent Public Consultation on **PRESUMED OR DEEMED CONSENT**; They want to legalise the taking **by force** of our organs at time of death, **WITHOUT our consent or permission???**

This is very wrong and undemocratic and against our human and religious rights!

We should keep the law as it is: anyone interested to give his or her organs at time of death, can do that but with HIS/HER PERMISSION and CONSENT during one's life.

Some Muslims and Christians and Jews are trying now to oppose this unjustified bill...but Most Muslims are doing nothing?

Please DO YOUR RESPONSE BEFORE 14th February, next month, and oppose this barbaric bill.

For details, guidance regarding your response please go to the website of the Society for the Protection of Unborn Children (SPUC):

www.spuc.org.uk/campaigns (I am the Muslim Coordinator to SPUC, since about 20 years)

2-The other big campaign/Consultation in Britain is on **GAY MARRIAGE/SAME SEX MARRIAGE**

Unfortunately the British Muslims are not doing much about it?

Please see the same website of SPUC as mentioned above, you will see all the details/guidelines for the campaign against same sex marriage.

3-Another new Public Consultation put by DEFRA on 10th January is regarding the early and sudden death of the **BEES** today, for no apparent reason?... (but the reality it is man-made as we discovered after)!

The worrying outcomes : No more honey...no more pollination. No more fruits....???

Please Muslims respond to this important Consultation before 9th March, especially as BEES AND HONEY are holy in Islam.

We have a whole Surah/chapter titled THE BEE, and honey is a great Islamic medicine and a highly nutritious diet.

To answer this Consultation, please go to the website of DEFRA: www.defra.gov.uk/consultations

4-Finally, there is this new Consultation on **Prostitution/sexual immorality and sexual services?**

Please Muslims see this brief below from CARE/Direct Impact on 18th January

(You have to reply by 4th February)

"Last week an inquiry into the law on prostitution in England and Wales was launched by the All Party Parliamentary Group (APPG) on Prostitution and the Global Sex Trade. The inquiry looks at how new legislation tackling demand for prostitution could safeguard those in danger of sexual exploitation and abuse. Submissions are invited from across the UK and beyond until 4 February and you can respond easily through an online questionnaire or can write by following the instructions on the APPG website. *Some thoughts to help you can be found here* and a briefing for supporters in Northern Ireland about the clause in Lord Morrow's Bill which also criminalises paying for sex can be found *here* and might also be useful"

5-.....

Allow me at the end, to mention one important big "weapon" ,Muslims do not use ,in order to spread the COMMON GOOD and GOD's and Pro-life values in our society and in order to PUSH more the ideas one has expressed in his/her response to any Consultation..:

This will come easily BY CONTACTING YOUR OWN **MEMBER OF PARLIAMENT (MP)** (by E mail or post or by visiting the surgery)

And telling him/her about your ideas/requests and ask him/her to SUPPORT IT and to take it on board in the discussion in the Parliament.

Unfortunately, almost all British Muslims do not contact their MPs on hundreds of issues in our society and even many do not know who are their own MPs???

MAY ALLAH GUIDE US TO DO OUR ISLAMIC HUMANE DUTY AND TO ACT AS BRITISH CITIZENS BY ANSWERING MANY OF THE PUBLIC CONSULTATIONS TODAY.....ameen

BRITISH MUSLIMS SHOULD BE THE NEW FORCE FOR **GOOD** IN OUR BRITISH SOCIETY AND THEY SHOULD JOIN MANY OF THE GOOD CHRISTIANS CAMPAIGNS TODAY....

Amazingly we are discovering that almost all the campaigns done by our friends: the Christian believers in Britain, are **our campaigns too** !
