THE SPEECH OF DR A MAJID KATME AT THE RALLY IN TRAFALGAR SQUARE/LONDON AGAINST GAY MARRIAGE WHICH WAS HELD ON 24th March 2013

Thank you...LA MANIF POUR TOUS (the French Organisers of this Rally)

THANK YOU.....You have inspired us ALL, we the British people...come again and again...

First allow me to say BIG HALLO to the big demonstration going on in Paris now against gay marriage(about 1.5 million).

Allow me now to emphasize this fact:

Every one of us has come from a man and a woman even every one of those campaigning for same sex marriage who are now in the back of our Rally...none of them has come from same sex marriage?

Do they realise that?

MARRIAGE: (between a man and a woman)

- Is the natural order generally all over the world.
- Is based on LOVE PEACE CARE and commitment and responsibility
- Is defined and fixed in all places and at all times (a man and a woman/2 people from opposite sex)
- Is the perfect foundation for the family(man and woman and children)
- Is the best the natural safe effective way to have and raise children

The medical fact is:

(XX chromosomes are in the cells of every woman, XY chromosomes are in the cells of every man)

2 XX or 2 XY chromosomes do not produce children at all!

Only X X and XY chromosomes will produce a child:

VIVE LA DIFFERENCE (between man and woman)

VIVE LA MARRIAGE

The other medical fact:

The intimate sexual relationship of 2 people of the opposite sex(husband and wife) ,fit perfectly well with the Anatomy, Physiology, Psychology and biology of our genital reproductive organs....this does not occur with 2 people of the same sex !.

- Traditional marriage belong to us, the majority,you are not allowed to "trespass" or "STEAL" our marriage.
- Same sex marriage will undermine and destroy also the TRADITIONAL marriage

The HARMFUL effects on children in same sex marriage

- No children or less children produced
- Gay people will "borrow" from us (sperm/egg)to have a child
- Child deprived from his/her natural father or mother
- Lack of role model: mother or father
- Child confused psychologically and sexually.

- Same sex marriage will be taught early in school as normal and acceptable
- No also to adoption of the child by 2 people of the same sex.
- Ask every child: he/she will tell you clearly : I like to have my 2 biological parents(mother and father)
- We wonder, what is going to happen to the child on Mother Day and Father Day

Where is the mother? Where is the father?

- No doubt: a child living with 2 parents of same sex IS NOT in the best interest of the child... This is even a CHILD ABUSE

The DANGERS To priests/Imams..church/mosque...Religious buildings

- Same sex marriage contradicts one's religious beliefs. Where are our human rights and our religious rights? No person should feel worried or guilty or at risk of losing his/her job ..."Conscience clause should be present in the law at least.
- Imam/priest.. Might be taken to courts if they refuse to conduct same sex marriage..?

The DANGERS to teachers in schools

Teachers might be SACKED if they refuse to teach same sex marriage to children in schools

CIVIL PARTNERSHIP (like marriage) is already available by law to same sex couples since 2004

They have official recognition and rights...there is no need for same sex marriage!

-We believe that the man the woman and the child are all INCOMPLETE in this partial and unnatural relationship called "marriage"

-Same sex marriage will destroy: children, marriage and the society.

ALLOW ME FINALLY TO MENTION FEW IMPORTANT RECOMMENDED ACTIONS TO DO AFTER WE LEAVE:

- Please bombard and write to your Member of Parliament(MP) and ask him/her to oppose same sex marriage And contact the Lords in the House of Lords later to do the same.
All people in Britain should write too and complain to the Prime Minister.
The Prime Minister is living behind us now :
"Are you listening Prime Minister...."
- Organise Rallies and Demonstrations in every city in Britain, France, Europe...
- Be very selective and very careful in choosing your Member of Parliament next time
Elect only those who support traditional marriage and oppose gay marriage.
- Organise more proper psychological health and social studies about the harmful effects on the children in same sex marriage.
- Organise an European Strategic Plan and build ALLIANCES with all nationalities, cultures and religions...in order to oppose effectively same sex marriage

VIVE LA MARRIAGE....VIVE LA MARRIAGE ...VIVE LA MARRIAGE
