Call for Evidence on Scottish Marriage Bill

The Marriage and Civil Partnership (Scotland) Bill was published at the end of June and, with the Marriage (Same Sex Couples) Bill now an Act of Parliament covering England and Wales, attention will focus on Scotland. The Scottish Parliament's Equal Opportunities Committee has issued a call for written evidence which is open for responses until Friday 23 August. If you live in Scotland please would you make a submission? Last week we promised that we would provide a simple supporter briefing on how to make a submission so please accept our sincere apologies that we are unable to send this to you today. A briefing will be sent to Scottish supporters through Challenge Direct by next Wednesday. [Of course, if you would like to make a submission now you can do so by clicking here.](#)(CARE IMPACT)
