

Please Respond in support of Daily Jang Coverage of Halal Zabihah

British Muslims will be forced to eat ``Jhtka`` (Stunned) meat if the government implements EU legislations and bans animal slaughtering according to Muslim and Jewish traditions ``Dhabiha`` and ``Shechita``...

Please find attached article on the non stun slaughter, please respond to Daily Jang in supporting **the non stun zabihah** as the only method acceptable to Muslim.

Please send in your response to Asif M. Dar asifmdar@gmail.com
