# URGENT APPEAL TO ALL ARAB AND MUSLIM GOVERNMENTS AND TO THE OIC AND TO ALL MUSLIMS PROTECT AND DEFEND WELL AND FOR GOOD, THE HONOUR AND DIGNITY OF OUR BELOVED PROPHET MUHAMMAD(pbuh)

**Dr A Majid Katme**  
(MBBCh,DPM)

Spokesman: Islamic Medical Association/UK

We are all aware today of the insulting, disgraceful and evil film on the Prophet Muhammad (pbuh) which can be seen on the internet all over the world and which was produced in the US under the title: Innocence of Muslims?

The film is about 11 minutes (the original film is about 2 hours) and even this short version there is a plethora of lies, distortions, accusations and gross blasphemous insults which ridicules and attacks the noble character, behavior and sayings of the Prophet Muhammad (pbuh)

We had the cartoons before, but this was the worst as stated by a lot of Muslim scholars and leaders as this takes it a step further by ridiculing the Quran.

The film was produced as reported in the media by a group of Zionist Coptic Egyptians, who are living in the US, and was well funded by few Jewish donors. It was done under the guise of "freedom of expression"

But it was in fact produced under the irresponsible freedom to defame, insult and ridicule the final Prophet of Islam: Sayyidna Muhammad, Sallallahu Alayhi Wasallam, which were all based on lies, distortions and abuses of the noble character of the prophet without any respect to the feelings and hurt of about 1500 million Muslims in the world.

It was natural for every Muslim believer to get angry and to feel hurt and to demonstrate in many Arab and Muslim countries against this calculated and malicious attack on our beloved prophet Muhammad (pbuh).

We remember the holy Prophet daily in our 5 daily prayers, we try to practice and copy him daily in all our ways of life (Sunnah) and try to read and remember his sayings (Ahadith) in order to practice it.

He is our role MODEL and our

TEACHER and our human GUIDE in all aspects of our life.

The Prophet Muhammad (pbuh) has said in a Hadith:

"NO ONE WILL BE A TRUE BELIEVER TILL I WILL BE MORE LOVED TO HIM THAN HIS FAMILY, CHILD, MONEY AND ALL PEOPLE"

So it is quite natural for any Muslim to get more angry and more hurt than any personal insult to himself or to his family (mother, wife, daughter etc).

After all, his name MUHAMMAD, means the PRAISED one, praised by ALLAH, His Creator and by all the 1500 million Muslims in the world.

Prophet Muhammad (pbuh) used to be called by the kuffar and non Muslims: AL SADIQ AL AMIN (the honest and trustworthy man).

His noble character was clearly noticed by all, even before the revelation of Islam.

Allah Almighty described the prophet Muhammad (pbuh) in the Qur'an:

- "AND SURELY YOU ARE OF GREAT MORALITY (AKHLAQ)" (Surah/chapter 68-verse 4)

- "WE HAVE RAISED YOUR NAME (renown)" (Surah/chapter 94-verse 4)

- Hadith: "I HAVE COME TO COMPLETE ALL AKHLAQ/moral code"

- His wife Aysha described his behavior/KHULOOUQ as Quranic.

**Now coming back to the film:**

One does wonder about the timing/release of this film?

What was the hidden agenda? And what were the motives?

Was the film done to DISTRACT all Muslims from other major hot issues?

The Arab uprising and the Islamic uprising ...Syria, Myanmar, Gaza & Palestine Or was it done to make a big FITNA and internal fighting between Muslims and Christians in many countries especially in Egypt?

Whatever it is, we Muslims everywhere have got the most serious case in front of us and we need to stand up and speak up in defense of the honor of Prophet Muhammad (pbuh) and in defense of the religion of Islam.

Demonstrations alone are not the answer and certainly not the

solution! Especially when some Muslims in these demonstrations kill western staff in their embassies or destroy and burn some western embassies or buildings.

This extreme reaction by some, which might have been done also for other political motives, has been condemned by many Muslim scholars and Muftis, like Shaikh Yusuf Al Qardawi.

This unwise uncivilized behavior, killing, burning and destroying of some non Muslim buildings/embassies has hurt us too. As Muslims, we have only given a bad impression to Non Muslims on what is actually a religion which actually promotes peace

**SO WHAT MUSLIMS CAN DO AND WHAT MUSLIMS SHOULD DO?**

- The only radical permanent effective solution internationally is to make a new law in the UN/US and in Europe: TO BAN ANY RIDICULE, INSULT OR ABUSE TO ANY RELIGION, TO ANY PROPHET AND TO ANY HOLY SCRIPTURE IN ANY RELIGION...including Jesus (peace be upon him and his noble mother: the Virgin Mary)

This urgent demand and law should be fully supported by the people of all faiths like Christianity, Judaism and all other believers in any other religion or faith.

In fact a new HOLY ALLIANCE with the 3 Abrahamic Faiths: Judaism, Christianity and Islam, should be established soon in order to work effectively for this BAN.

With the ban, any person found to be breaking again this new law and insulting any religion or prophet or holy scripture in any part of the world: he/she should be severely PUNISHED.

This is the only to AVOID THE RECURRENCE of similar attack and insult and abuse in the future.

This is the way to have PEACE and HARMONY in the world and to keep the mutual interests of both West and East.

To establish this new law/BAN, is satisfying to all and should be easy to do.

Many people do not know that President Bush of America, has made on 16/4/2004, a new international law in the Congress of the US, in order to protect the

feeling of the Jews and to avoid them been hurt by BANNING any anti-Semite attack and banning any one doubting the Holocaust or doubting the number of the Jews killed!

Any one breaking this law, will be taken to court and punished (so much for freedom of expression!)

We all obviously will support any law which will protect the feeling and avoid any hurt to any follower of any faith.

WHAT ABOUT THE FEELING AND HURT FELT LATELY BECAUSE OF THIS EVIL FILM BY 1500 million Muslims in the world?

Where is equality? Where is justice? Or is it double standard as we have been witnessing frequently in most western decisions?

In order to achieve this much needed BAN, we like to APPEAL to all Arab and Muslim governments (Kings/Princes and Prime Ministers) and to APPEAL especially to the King Abdullah of Saudia Arabia, the servant of Haramen, and to the OIC (Organization Islamic Conference) to call quickly for an International Muslim summit, in order to establish QUICKLY this BAN in the UN, the US and in Europe.

To invite to this summit: The Muslim Ambassadors in non Muslim countries, the Muslim Missions in the UN (about 70), Muslim lawyers, Muslim leaders in the US with many Muftis/Muslim scholars in the world (Union of Muslim Scholars) (Ulamas) in the world.

THIS IS THE ONLY PERMANENT INTERNATIONAL SOLUTION IN ORDER TO STOP THE FREQUENT INSULTS AND ABUSES TO OUR BELOVED PROPHET MUHAMMAD (pbuh) AND TO THE RELIGION OF ISLAM, AND TO ANY OTHER RELIGION.

WE BELIEVE THIS IS A DUTY ON EVERY MUSLIM GOVERNMENT AND EVERY MUSLIM BELIEVER IN ORDER TO ESTABLISH THIS OVERDUE BAN.

Is important to demand from now TO STOP THE SHOWING OF THE WHOLE FILM (about 2 hours)

As our beloved prophet Muhammad (pbuh) is very much UNKNOWN AND MISUNDERSTOOD by the non Muslims especially in the West, we would like to request the Muslim Governments and OIC to establish a new SATELLITE called:

PROPHET MUHAMMAD (peace be upon him), in many western languages which is easy to see and watch in any country.

A proper psychological western approach will be needed regarding the contents and the languages used in this satellite.

WE NEED TO INTRODUCE THE PROPHET MUHAMMAD (pbuh) TO THE NON MUSLIMS EVERYWHERE ESPECIALLY TO THOSE LIVING IN THE WEST.

**This is great for DA'WA!**

Unfortunately our Muslim leaders, organizations and Ulamas who live in the West, have FAILED over the years to introduce and explain the noble life and the

great message of prophet Muhammad (pbuh) to all humanity.

Every Muslim country, should be asked to take away the film from the internet, as done in Malaysia lately.

**In the meantime, we would like to recommend to all Muslims living in the West:**

- To organize a series of talks to the non Muslims: WHO IS THE PROPHET MUHAMMAD (pbuh) in all mosques/halls in most cities and in most countries.

- Introduce the final prophet Muhammad (pbuh) as a: Husband, father, neighbor, businessman, leader, teacher, judge, politician, physician, hygienist, psychologist, carer of animals and to environment and to non Muslims...all testifying to his noble fascinating characters and behavior (AKHLAQ) and to his Prophethood.

- Organizing debates/conferences to the non Muslims and introducing Prophet Muhammad (pbuh)

- Distributing a lot of leaflets/booklets/CDs/DVDs in many languages to the public in the west

- Talking on Prophet Muhammad (pbuh) in the national non Muslims TVs, radios, newspapers

Organizing a "western" website in many languages and publicizing it widely to the non Muslims in the West.

There is a good Muslim website in many languages on the Prophet Muhammad (pbuh):

[www.rasoulallah.net](http://www.rasoulallah.net)

(But we are not sure if the contents are relevant and effective on the western non Muslim mind)

To utilize the large number of Muslim converts and their organizations (like IERA/UK) in every western country for this noble campaign. It is very useful to publicize widely:

What the famous non Muslims said about Muhammad (pbuh)

Also many just sincere non Muslim writers have written excellent biography on prophet Muhammad (pbuh), like Karen Armstrong. One can utilize many of their wonderful honest quotations on the noble life of Prophet Muhammad (pbuh)

To add, we have today many scientific medical discoveries (EIJAZ) which are related to many Ahadith of the prophet. A new encyclopedia of HEALTH has been discovered in the Qur'an and in many Ahadith today

Muslims everywhere should write to Google and to YOUTUBE to complain and to withdraw and take out this evil malicious film. One does need to be careful in making more publicity to the evil film to the non Muslims.

Finally no doubt the best way to introduce our beloved prophet Muhammad (pbuh) to the non Muslims everywhere is by practicing Islam properly and sincerely (AKHLAQ/MORAL CONDUCT) and by LIVING the Sunnah of Sayyidna Muhammad Sallallahu Alayhi Wasallam.
