Ramadhan 1432h to complete 29 days - Alhamdulillah

**Eid-ul-Fitr is on
Tuesday 30th August 2011**

Dear Brothers and Sisters,
Assalamo Alaikum Warahamtullah Wabarakatuh

There hasn't been any trustworthy moon sighting reported from within the UK. Having received credible Shar'i moon-sighting reports from Saudi Arabia, the Central Moon-sighting Committee of Great Britain (CMSCGB) is pleased to officially announce that Ramadan will complete 29 days and Eid-ul-Fitr will be celebrated in the UK on Tuesday 30th August 2011. The CMSCGB strictly follow the Sunnah of Prophet Muhammad *sallallahu alaihi wasallam* and do not take any reference from observatory calculations or global visibility charts.

We would like to take this opportunity to wish all Muslims in the UK a joyous Eid-ul-Fitr, and extend this greeting to the Ummah globally. Eid is special occasion for family and friends to celebrate and come together to enjoy the blessings bestowed upon mankind by Allah SWT. It is also a time to reflect upon the suffering of people around the world, especially in Somalia, Libya and Syria. We pray that Allah SWT relieve them of their hardships. Our message at this time of the year is for unity, peace and tolerance for the whole of mankind.

Finally, Eid is an ideal occasion for us to invite our non-Muslim friends and neighbours to take part in the festivities and learn about our faith. May Allah SWT give us continuing rewards for the worship we have undertaken this Ramadhan, and thank Him for allowing us to take part in the blessings of this Holy Month.

Ameen & Was-Salaam
